

# WEBINAR: PROJECT LEADERSHIP DEVELOPMENT SERIES

Part One: Introducing Project Leadership & Working Styles

Thursday July 14, 2011 12:00 – 1:30pm Eastern

## PRESENTERS:

**Anne Smith, PE** and **Gordon Culp, PE** of *Smith Culp Consulting*, a leading project management consulting firm, are experienced project leadership trainers and are co-authors of *The Lead Dog has the Best View, Leading your Project Team to Success*, published by ASCE Press. Both have degrees and experience in engineering and applied psychology. For more information on the presenters, see [www.smithculp.com](http://www.smithculp.com).

## PROGRAM DESCRIPTION:

When project teams are led, rather than managed, great things happen! The team is productive, passionate and enthusiastic about their job, and the project manager naturally becomes a strong leader: a fulfilling experience for all. This program, the first of a four-part series, will discuss the importance of personality style and how it plays an integral role for your effectiveness in a leadership role. The subsequent monthly programs will address: Project Communication (Part 2), Project Planning, Delegation and Coaching (Part 3), and Project Tracking, Course Correction & Close Out (Part 4).

## LEARNING OBJECTIVES:

- Based on your personality style, learn effective tools to draw the best results from your team
- Gather tools and skills that will enable you to emerge as an effective project leader
- Assess the 12 key characteristics of effective project leaders
- Understand how the different personalities & working styles influence project leadership
- Recognizing your team & how best to use all their complementary strengths

## COST:

**\$179.00** for a single web connection, providing access to your full group (unlimited number of participants). You will have the option to connect at your desk or in a conference room to facilitate multiple participants. *A large portion of this payment will fund the current & future projects at Engineers Without Borders – USA.*

**REGISTRATION DEADLINE:** Friday, July 8<sup>th</sup>

**CONTINUING EDUCATION CREDITS:** Upon receipt of your *Online Attendance Submission* after the program, a group Certificate of Completion will be emailed to you. Architects, Engineers, and other professionals may be able to earn 1.5 continuing education credits for their participation in this program.

**ENGINEERS:** Contract Solutions Group (CSG) is a national provider of continuing education to design professionals, and will provide engineers with documents for use in meeting engineering CE requirements, including the **3** states that require pre-approval of providers offering PE continuing education credits: **Florida, Indiana and North Carolina.**

Contact CSG for more information on Continuing Education or technology questions:
