

PRESENTERS:

Richard Andrews, has worked in the Construction Engineering profession for over 45 years in both public and private organizations. His focus is on developing working environments that capitalize on creative team dynamics. He is a former President of the Washington Chapter of APWA, and is a frequent presenter on methods to improve the design and construction process for public entities.

Greg Steels, Vice President of MidMountain Contractors, has over 30 years experience working on all types of heavy, highway and infrastructure construction including, underground utilities, telecommunications, roadwork, light rail, pipelines, highways, bridges, dams, municipal water & wastewater treatment facilities and also industrial construction.

Chuck Hinson, is Vice President of URS Corporation's CM/PM operations in Seattle and has over 44 years experience in the fields of engineering and construction. He holds a BS degree in Mechanical Engineering from the University of Illinois and a Masters Degree in Mechanical Engineering from Vanderbilt University. He founded and served for 19 years as President of Abide International, a Northwest-based construction management firm.

COST:

\$129.00 for a single connection, allows an unlimited number of participants in your listening audience. Professional Engineer and AIA self-reported CE credits available. **Attorneys:** This course is pending approval by the Washington State Bar for 1.50 General CLE credits.

- Log-in information (hyperlink, dial-in number to hear the audio and related pin codes)
- Link for downloading the Program Materials (PowerPoint Handout, Attendance Forms etc.)

Webinar: Improving Project Performance through Partnering/Teaming ~ A Case Study

Thursday, April 8th - 11:30^{am} to 1:00^{pm}

YOU AND YOUR STAFF WILL LEARN:

- Why current economic and bidding conditions make it necessary for owners to encourage a partnering/teaming approach on their construction projects.
- How to create effective, collaborative partnering/teaming relationships on your project within the framework of contractual obligations.
- Why it is important that all project participants actively support the partnering/teaming approach, and how an owner can achieve that goal.
- Important tips and implementation ideas from an owner who successfully implemented a partnering/teaming approach on a very complex project, and who achieved extraordinary success as a result.

REGISTRATION (Registration Deadline: Friday, April 2nd)

Agency/Firm Name _____ Name _____

Title _____ Phone _____

Email Address* _____

Complete Mailing Address: _____

* **Your Email address is required.** We will be confirming your registration by email. Due to heavy use of spam filters, when you receive the confirmation email, we ask that you reply/return receipt so we are assured you'll successfully receive our important second email with the Connection Instructions sent 2-days before the program date. If your entity filters incoming email, please add contractsolutionsgroup.com to your list of approved senders so we are assured you'll receive both emails.

Forward completed form via fax, mail or email to:
