

WEB CONFERENCE REGISTRATION

THURSDAY, MAY 8TH ~ 11:30^{AM} TO 1:00^{PM}

SUBSURFACE CLAIMS: *Managing Project Impacts of Unexpected Conditions*

Program Co-Sponsored By

PRESENTERS:

Ronald Leaders, an engineer, construction law attorney and principal in **Buckley & Leaders**, has over 30 years of construction law experience representing project owners, designers and insurers.

Alan Macnab, P.E., is the Business Development Officer for **Condon-Johnson & Associates**, and has over 30 years of extensive experience in geotechnical engineering, with a focus on deep foundations, drilled shafts and earth retention.

Thomas J. Berglin, P.E., is a Senior Engineer with **Professional Services Industries (PSI)** and has practiced in the field of geotechnical engineering since 1997. Previously he was sole proprietor of an arctic civil/engineering consulting service.

COST:

\$129.00 for a single connection, allows an unlimited number of participants in your listening audience. Professional Engineer and AIA self-reported CE credits available.

DETAILS:

To participate you need only a PC, Internet Connection and Speakerphone to participate in the Web Conference. Attendees have the opportunity to share their experiences and opinions and will have the opportunity to ask questions of the presenter(s), either by phone or by typing in the "chat" window.

TO REGISTER:

Complete this registration form and fax to the number indicated. You will receive a confirmation email. Two days prior to the program you will receive a second email with:

- Log-in information (hyperlink, dial-in number to hear the audio and related pin codes)
- Link for downloading the Program Materials (PowerPoint Handout, Attendance Forms etc.)

QUESTIONS?

Contact Jeri Jennings, Program Director at (206) 463-7487 or Email: jjennings@contractsolutionsgroup.com

YOU AND YOUR STAFF WILL LEARN ABOUT:

- Improving integration of geotech reports, plans and contract clauses to reduce subsurface claims
- Reducing the common sources of subsurface condition claims
- Establishing the appropriate level of pre-bid investigation
- Avoiding and resolving claims from perspectives of geotech professionals who represent owners and contractors.

REGISTRATION * Registration Deadline: Monday, May 5th *

Agency/Firm Name: _____ Name: _____

Title: _____ Phone: _____

Email Address*: _____

Complete Mailing Address: _____

*** Your Email address is required.** We will be confirming your registration by email. Due to heavy use of spam filters, when you receive the confirmation email, we ask that you reply/return receipt so we are assured you'll successfully receive our important second email with the Connection Instructions sent 2-days before the program date. If your entity filters incoming email, please add contractsolutionsgroup.com to your list of approved senders so we are assured you'll receive both emails.

Forward completed form via fax, mail or email to:
