

WEB CONFERENCE REGISTRATION

WEDNESDAY, JUNE 25TH ~ 11:30^{AM} TO 1:00^{PM}

PRESENTERS:

Arnold Hedeem, Esq., is a partner with the law firm of *Hedeem & Caditz, PLLC*. His practice focuses on construction and government contract law and general civil litigation. Mr. Hedeem represents owners, prime contractors, subcontractors and material suppliers, as well as construction industry trade associations.

Michael Purdy, *University of Washington*, has more than 28 years of experience as a manager in public contracting and procurement. He is currently the Contracts Manager for the University's Capital Projects Office and is responsible for managing design and construction contracts for more than \$1 billion worth of projects.

Ronald Leaders, an engineer, construction law attorney and principal in *Buckley & Leaders*, has over 30 years of construction law experience representing project owners, designers and insurers.

COST:

\$129.00 for a single connection, allows an unlimited number of participants in your listening audience. Professional Engineer and AIA self-reported CE credits available. **Attorneys:** This course has been approved by the Washington State Bar for 1.50 General CLE credits.

DETAILS:

To participate you need only a PC, Internet Connection and Speakerphone to participate in the Web Conference. Attendees have the opportunity to share their experiences and opinions and will have the opportunity to ask questions of the presenter(s), either by phone or by typing in the "chat" window.

TO REGISTER:

Complete this registration form and fax to the number indicated. You will receive a confirmation email. Two days prior to the program you will receive a second email with:

- Log-in information (hyperlink, dial-in number to hear the audio and related pin codes)
- Link for downloading the Program Materials (PowerPoint Handout, Attendance Forms etc.)

BIDDER RESPONSIBILITY CRITERIA: *Expanded Tools for Public Entities*

Program Co-Sponsored By

YOU AND YOUR STAFF WILL LEARN ABOUT:

- Understanding new legal requirements to expanded use of responsibility criteria in awarding construction contracts
- Establishing the criteria and measurements to be used in implementing responsibility criteria as part of the bid award process
- Minimizing the risk of bid protests
