

ACEC of Oklahoma has negotiated special pricing for CSG’s “Programs To-Go” continuing education series. Add a number of these one-hour seminars on CD/Cassette to your career development and risk management libraries. Learn from nationally recognized experts on topics critical to your career and business success.

ACEC of Oklahoma also benefits from your order through December 31 under CSG’s professional association revenue-sharing program.

CSG is the only A/E continuing education provider endorsed or presented by five leading design professional insurers, making their programs attractive to your company at insurance renewal time.

How to maximize your purchase. Each “Program To-Go” on CD or tape offers one-hour of continuing education credit and can be circulated to your colleagues. Please, no copying of copyrighted materials.

Seminar packets include:

- **CD or Audio Cassette** (please indicate which you prefer)
- **Program Outline, Handouts, and Three Tests** (for states requiring certified completion.)

Double-Click On a Title to See Program Description
